Gentlemen:

You have before you for consideration recommendation for the rezoning of a parcel of land of approximately ten (10) acres on the north side of U.S. 24 West, at the Randall Road upon which you are to make final recommendation at your meeting this evening. This matter was heard at the public hearing last Monday night.

Unfortunately, we have discovered that there was an error in the legal description submitted to the Plan Commission and upon which publication has already been made. Accordingly, it is necessary for us to withdraw this matter from your consideration and to refile the same with a correct description.

We will refile the zoning petition for this land, with a correct description, immediately hoping that the same may be heard at your next public hearing. You may consider this your authority to withdraw said petition prior to rendering any further decision thereon.

Very truly yours,

SHOAFF, KEEGAN & BAIRD

Dear Mr. Heckman:

On the occasion of the negotiation of the salary ordinance with the Fire and Police Departments in 1967 effective 1968, the Firemen were given three paid holidays, the firemen who worked on the three designated ones. In our discussion with the Police Department they determined that they would prefer compensatory time rather than the day's pay. Accordingly, such members of the Police Department who actually work on New Years are entitled to a day's time off.

Christmas and Thanksgiving

I am writing this letter so that we all understand the terms of the agreement and can act accordingly. Any questions involved, feel free to ask.

Cordially,
